

# Project Profile

Morgan's Wonderland  
San Antonio, TX

## System Features

Created by philanthropist Gordon Hartman, who was inspired by his daughter, Morgan's Wonderland is a unique oasis that offers individuals with disabilities and their families 25-acres to experience recreational activities at this ultra accessible park.

- An 11-zone outdoor audio system runs throughout the park's Wonderland Express Train & Depot and country-themed rest areas, which include Mexico, Germany, France, Japan, Italy, Africa and the Caribbean
- The Amphitheater and Event Center & Gymnasium each feature a PA system as well as LED-based theatrical lighting system
- A multi-purpose building, movie house and welcome center are acoustically treated to allow for quality sound control

## Participants

### Owner

The Gordon Hartman Family Foundation

### Architect

Luna Architecture

### General Contractor

Eaton Contracting
