System Features

The Devon headquarters is a 1.7 million square-foot, 50-story office tower that features a 130-foot tall metal and glass rotunda and a five-story Garden Wing.

- More than 300 conference rooms have AV technology, as well as an incident command room, a global security command, and a market trading room
- In the auditorium there is a 24' widescreen lit by a 20,000 lumen HD video projector
- The Garden Wing is like a hotel conference center with multi-purpose configurable rooms, conference rooms and auditoriums, as well as a 3D visualization room, training area and classrooms
- Marketing has four video walls totaling 68 displays
