System Features

FirstBank serves as the second largest bank in Colorado and is one of the largest privately held banks in the country. AV system updates facilitate their growing presence as an enterprise.

- Collaboration spaces with HD display, media controller and speakerphone system to provide access for group meetings
- Microphones with multicolored LED display
- HD displays in public areas promote corporate signage and information
- Conference rooms are scheduled with touch-screen panels and software
- Four HD projectors and retractable screens display content in the boardroom
- Ceiling-mounted cameras provide videoconferencing capabilities
