

# Project Profile

American Airlines  
Ft. Worth, Texas

## System Features

American Airlines' new corporate offices are a campus with eight buildings on 300 acres. The complex accommodates nearly 12,000 employees, requiring AV solutions that connect employees across their campus and the world.

- Elevator corridors features 17' x 5' direct view LED walls comprised of 85 HDR panels with 1.5mm pixel pitch
- Open collaboration areas include an 85" commercial display, wireless presentation system and touchscreen control panel
- Executive Boardroom utilizes direct view LED wall comprised of 1.5mm pixel pitch panels, confidence monitor, presentation system and occupancy sensors
- Huddle rooms feature 75" 4K commercial display, 4K content controller, wireless presentation system and camera for teleconferencing
