

Project Profile

Air Force Academy Volleyball Gym
Colorado Springs, Colorado

System Features

Nestled in the foothills of the majestic Rocky Mountains, the US Air Force Academy is situated northwest of Colorado Springs, CO. Offering 19 different sports to choose from, the Women's volleyball program has been active since 1954.

- **Arena Speaker System** | Featuring 16 coaxial sub-cardioid speakers, 2 subwoofers, and a digital mixer, this setup provides clear, intelligible audio at high levels
- **Digital Mixer** | 8x2 digital mixing provides automatic control of inputs, including volume, feedback suppression, and auto-gating
