

# Project Profile

ArcBest  
Fort Smith, AR

## System Features

ArcBest provides freight logistics for businesses of all sizes. To accommodate a growing staff, their new headquarters and multiple office buildings required technology solutions.

- Boardrooms - 130" 1.5mm pixel-pitch Direct View LED wall, 98" 4K displays, PTZ cameras, wireless collaboration gateway, table microphones, speakers and occupancy sensors - all controllable through an interactive touchscreen
- Welcome Areas - 110" video walls, each comprised of 4-55" thin-bezel displays, an interactive touchscreen and sound masking
- Training Rooms - Various projectors, ambient-light rejecting screens, 75" 4K displays, custom lecterns, PTZ cameras with instructor tracking system and confidence monitor
