

# Project Profile

City of Thornton Active Adult Center  
Thornton, CO

## System Features

The City of Thornton constructed a new public facility for active adults that required a versatile AV system capable of handling a wide range of activities from educational programs to fitness classes and special events.

- Event Hall/Multi-Classroom features 82" 4K displays, projector with retractable screen, wireless microphones and overhead speaker system
- Conference room includes 75" 4K display to present content and information
- Divisible classroom utilizes ceiling-mounted speakers and wireless microphone system
- Fitness room includes 65" 4K displays to play live broadcasts and integrated on-demand fitness content
- Lounge and lobby utilize 4K displays for digital signage and streaming content
