

Project Profile

Monarch Casino Sportsbook
Black Hawk, CO

System Features

Located in Blackhawk, CO, the Monarch features a new, state-of-the-art sportsbook. The space is equipped with displays that provide guests with a prime viewing experience for their favorite sports.

- Video Wall | A 23' x 13' LED video wall centered in the sportsbook with 4K resolution
- Displays | Multiple commercial grade 4K displays at varying sizes, placed around the entire space
- Audio Systems | Paired with the video displays, audio systems provide coverage for the entire sportsbook
- Projection Systems | Laser projectors and projection screens paired with sound systems for optimal guest experience
