

Project Profile

Oklahoma City Zoo
Oklahoma City, Oklahoma

System Features

Extensive renovations have transformed the Oklahoma City Zoo, introducing advanced technology solutions to enhance the Savannah and Pachyderm exhibits. Spanning more than 130 acres, the zoo stands as Oklahoma's premier cultural attraction, boasting over 1,900 animal species and vast botanical gardens.

- **The Savannah Exhibit** | Eighty-nine newly installed speakers produce music and ambient sounds for visitors, while also providing soothing melodies for the animals
- **The Pachyderm Building** | The newly renovated event space, equipped with wireless microphones, speakers, and video displays, facilitates seamless communication for tour guides addressing crowds of visitors and hosting special events
