

Project Profile

PGA Headquarters
Dallas, Texas

System Features

The PGA of America moved its headquarters from Florida to North Dallas. The new 4-story headquarters building is on a 660-acre campus including two championship golf courses, a 500-room hotel, and an entertainment district.

- **Multi-Purpose Room** | High-profile visitors and celebrities are welcomed using the highest level of AV technology, including a 12' x 6.7' direct-view LED video wall
- **Executive Board Room** | 2 - 98" and 2 - 50" displays facilitate a wide viewing area that can be seen from any angle. Beam forming microphones in addition to wireless microphones ensure every speaker can be heard clearly whether sitting, standing, or walking.
