

# Project Profile

The Legacy Midtown Park  
Dallas, TX

## System Features

The Legacy Midtown Park is a senior living community that provides a full continuum of care with lifestyle options based on resident needs. To support these accommodations, the community required innovative technologies.

- Dining Destination | Speakers, digital signage, and displays distributed throughout multiple dining destinations
- Executive Boardroom | Video conferencing with integrated touch controls
- Theater | Sound and projection system for a prime theater entertainment experience
- Sanctuary | Sound and projection for live services and video streaming capabilities
