System Features

The Momentary is a contemporary art space in downtown Bentonville for visual, performing and culinary arts. Occupying a decommissioned 63,000 SF cheese factory, the Momentary serves as a cultural hub and requires an adaptable AV system.

- Fermentation Hall - 25' projection screen with 12,000 lumen projector, loudspeakers, surround speakers, Soundscape™ system, digital mixer
- Milk Intake Performance Area – 28' projection screen with 21,000 lumen projector, loudspeakers, 48-channel digital mixer, digital signage
- Tower Performance Area – loudspeakers and subwoofers for performances, digital mixer
- Central Exhibit and Gallery Spaces - 65" 4K display, digital signage, loudspeakers
