

# Project Profile

The Summit Club  
Tulsa, OK

## System Features

Tulsa's Summit Club has provided its members with a unique, exclusive dining and social experience for over five decades. The Summit underwent a complete remodel and full technology upgrade.

- Banquet Space | Agile AV solutions that adapt to varied functions, including zoned sound reinforcement, video presentation, and control
- Meeting Rooms | Web conferencing systems, discrete microphones, and wireless presentation devices for those with laptops
- Common Spaces | Utilized for wine tasting, private dining, lounge, lobbies, and game room have zoned background music which can be monitored and controlled by staff using integrated touch panel control
