

Project Profile

Alliance Airport
Fort Worth, TX

System Features

Alliance FBO at Perot Field Fort Worth Alliance Airport serves exclusive, high-profile corporate aviation clients and major package delivery companies. The terminal's design blends luxurious finishes with amenities like flight planning conference rooms, crew lounges, and military briefing rooms.

- Sweeping 30-foot curved direct-view LED wall in the main lobby displays branded content, live flight data, and environmental visuals.
- Secondary curved LED wall in the flight-information alcove provides real-time departure and arrival data integrated into terminal architecture.
- Four conference rooms equipped with laser projectors, motorized screens, 4K PTZ cameras, beamforming microphones, and centralized touch-panel control.
- Multi-zone audio network with ceiling and landscape speakers delivering continuous sound coverage from interior lounges to exterior walkways.
