

Project Profile

City of Thornton - Community Center
Thornton, CO

Located just north of Denver, Colorado, the City of Thornton is experiencing explosive growth. This created a need for a new community center to provide expanded services and unique amenities.

- Large divisible Flex Space with dual projection screens, laser projectors, wireless and hardwired input, and dual 7" wall-mounted touch panels for intuitive management.
- Specialized AV systems throughout the facility including Bluetooth audio activity studios, distributed displays in the cardio room, and a reservable room with 85" display, ceiling-mounted microphones, and wireless collaboration tools.
- Complex installation challenges addressed with temporary power solutions, acoustic tuning for varied spaces, and integration with the existing phone system for emergency paging.
