

Project Profile

Mattress Firm - Houston Headquarters
Houston, TX

System Features

As the nation's largest mattress specialty retailer, Mattress Firm serves customers through thousands of locations. Their growth required moving to a new "Bedquarters" with extensive AV technology.

- 35 Microsoft Teams Rooms with standardized touch-panel controls create a consistent conferencing experience across conference rooms and executive spaces
- Beamforming ceiling microphone arrays, table microphones, and PTZ cameras provide automated speaker tracking and high-quality audio and video
- Executive and large meeting spaces feature dual 100-inch displays and large-format video walls for impactful presentations and meetings
