

Project Profile

UTSA - Roadrunner Athletics Center of Excellence
San Antonio, TX

System Features

The 95,000 sq. ft. Roadrunner Athletics Center of Excellence serves as UTSA's hub for athlete development, unifying coaching, training, sports medicine, academics, and team operations. Technology throughout the facility enhances instruction, performance, and communication in support of competitive success.

- Integrated AV systems supporting coaching and collaboration across classrooms, team meeting spaces, sports medicine, weight rooms, and administrative offices
- Interactive coaching environments with short-throw projection and writable analysis surfaces for film review, strategy sessions, and real-time play development
- Campus-wide infrastructure with large-format displays, distributed audio, fiber connectivity, and centralized management for reliable daily operations
