

Project Profile

Texas Tech Womble Football Center and South End Zone Building
Lubbock, TX

System Features

Located at Texas Tech University in Lubbock, Texas, home of the nationally recognized Red Raiders football program, the Womble Football Center and South End Zone expansion represent the largest athletics facilities investment in the university's history.

- Four large-format LED video walls installed across the facility, including the Large Team Theater, Walk-Through room, Recruit Theater, and Small Team Theater
- Facility-wide IPTV system with 285+ endpoints feeding more than 200 displays with centralized content management and scheduling
- 17 conference and position meeting rooms outfitted with ceiling microphone arrays, PTZ cameras, document cameras, and touch panel control supporting BYOD-enabled Zoom and Teams
